

ELECTRIC ROASTER GYROS/ KEBAB, 40 KG GYROS 80 E

Ref: 1155.834.002
 Magnus

For even cooking, the back and the heating sources of the grill gyros are adjustable according to the volume of the meat. Independent control of heating zones.

Equipped with a fully hermetic spit holder. The motor placed at the bottom part is thus protected from any infiltration of fat or gravy. Mounted on stainless steel ball bearings, the motor does not support the weight of the meat or the jerks by cutting the meat. It remains protected from any twisting.

Cleaning: wide stamped collector and removable juice drawer. 5 Incoloy heating elements, half/full power regulation, firestones to store heat.
