

## ELECTRIC MULTIFUNCTIONAL BRAISING PAN, 15 L BRME M740

Ref: 1146.220.003  
 Magnus

The multifunction allows you to carry out a great variety of cookings, thanks to its multiple use as a braising pan, frytop, pasta cooker, bain-marie.

The AISI 304 stainless steel tank, with a 10 mm bottom, ensures uniform cooking and a low heat dispersion.

The temperature control is made through an operating and safety thermostat (90-300°C).

Armoured electrical heating elements. Solenoid valve for water loading.

A standard AISI 304 stainless steel lid for the bowl with thermal handle.

Tank with removable Teflon lid that facilitates discharge directly into a stainless steel AISI 304 container.

### FEATURES
